

**CONFIDENTIAL**

25 October 1954

**MEMORANDUM FOR: Mr. George Carey**

In compliance with the request from General Clark's Task Force for information concerning Congressional comment on the incident at Bogota and the opening of hostilities in Korea, there are attached herewith photostats of 59 clippings covering these matters. There is also attached herewith a copy of the confidential hearings in executive session of a special subcommittee of the House Committee on Expenditures in the Executive Departments (now the House Committee on Government Operations) on the subject of the Bogota incident. As the latter is my only copy of this transcript, I would appreciate having it returned when the Task Force has no further need of it.
